

The Bristol S-Gauge Railroad Club Produced by American Models.

2023 is the 75th Anniversary of the Bristol S-Gauge Railroad Club..... "The Oldest S-Scale Club in the Americas" !

To celebrate this milestone, the club has contracted with American Models to produce the only S-scale model of the B&M 4-Bay Quad Hopper featuring the "Minuteman" herald. 1000 of these cars were built between March 1929, and February, 1930, all with the earlier B&M rectangular herald. Cars were numbered from 8000 - 8999, Most of these cars were shopped in the mid-1940s, painted and lettered with the new "Minuteman" herald.

We are offering this model with three different car numbers from the original 1929 production (car numbers 8000, 8248, and 8323), but with the re-shopped "Minuteman" herald from the 1940s.

Each car number will be available in both scale and highrail.

Due to limited quantities, we reserve the right to fill orders for either one or two cars with car numbers of our choosing. Orders for three cars will receive all three car numbers.

OFFER GOOD WHILE SUPPLIES LAST (only 162 total cars available).
